

Wedding Magician

Why not have a close up magician at your wedding to entertain your guests during those 'natural gaps' that occur during your special day. I can provide just what you need to help your day run perfectly.

Weddings are my speciality.

When I perform magic at your wedding it's an instant icebreaker, I can provide your guests with something amazing to talk about, helping them to socialise and get to know each other throughout the day.

I perform magic while your guests are mixing after the ceremony or waiting for your wedding photos to be taken. I then continue during the wedding breakfast and will perform close up magic between the courses until the speeches begin or after the cutting of the cake.

You can contact me directly about performing magic at your wedding and I will be happy to meet up with you to discuss it and to show you an example of what I can provide on the day.

and above all, watch with glittering eyes the whole world around you because the greatest secrets are always hidden in the most unlikely places. Those who don't believe in magic will never find it.

**Captivating
Award Winning Magic**

Clive Winterton

I am an Award Winning Magician and I have provided magical entertainment for all types of events from small parties up to banquets and corporate events as well as performing at weddings.

My magic skills and my personality have enabled me to become a member of the world famous Magic Circle, I have also been awarded The Home Counties 'Most Entertaining Magical Act'. I present my skilled close up magic laced with a cheeky humour that will delight guests of all ages.

Corporate & Private Parties Magician

Having a Close Up Magician at your event is becoming an increasingly popular way to entertain your guests. I normally mingle with guests in small groups at the drinks reception and then between courses during the meal. Your guests will be able to enjoy their evening as they watch in disbelief as I perform magic right under their noses. Cards, coins and rings will vanish and reappear when they least expect it.

With my style of magical entertainment everyone is guaranteed to have a magical fun filled time.

I will adapt my style to suit your venue and your guests.

Whether your event is a large event or a laid back lunch I can provide tailor made magic to suite your specific needs.

If you have a larger event you may need more than one magician. I can arrange additional magicians of the same standard to work with me to ensure all of your guests enjoy the magical experience.

Captivating Magic

Close up magic has been used for centuries the world over to entertain audiences. It is presented to small groups of people involving them and encouraging them to take part in the fun of this intimate and personal form of entertainment.

I have brought my captivating style of magic to literally hundreds of events across the UK, and I am extremely proud that over eighty percent of my work comes from referrals and repeat bookings based on just how much people have enjoyed my magic.

What clients say ?

Clive, I just wanted to say thanks for all your work yesterday at our wedding. The feedback we got from the guys was that you were brilliant! You were busy, but also discreet as we discussed, and it was perfect. It's those sort of things that really make the day. We'll be recommending you to all our mates.

Thanks so much,
